An effort is now being made to have stockholders of the Bellaire & Southwestern give their stock away for nothing to parties here in Woodfield.

Our advice to stockholders is, hold on to your stock; you paid for it and should hold onto it for the purpose of voting the present management out of office in October next, if for no other purpose. They want you to give it to them in order that they may have votes enough to re-elect themselves. They see plainly that this is the only plan whereby they can ever again be re-elected Directors of the road.
